
THE GREEK

HEALTH + SAFETY MEASURES

THE SAFETY AND WELL-BEING OF OUR GUESTS AND EMPLOYEES IS OUR #1 PRIORITY.

We at The Greek/Anatoli Group are following government guidelines and taking additional measures to keep all of us safe. Stringent protocols have been implemented in our restaurant outlined below:

- All dine-in guests will be offered hand sanitizer prior to entering.
- Guests are asked to remain seated unless using the washroom.
- Disposable masks are available when guests aren't seated at a table.
- Hand sanitizer stations are available throughout the restaurant for guest use.
- QR Codes are available on every table for contact information & menus.
- In common spaces such as waiting areas, guests are asked to maintain a physical distance of 6 feet between them and other restaurant guests.
- Groups will be seated six feet apart or with a physical barrier between tables. A maximum of 6 people will be sat per table.
- All employees will be wearing PPE and following strict hygiene protocol within the restaurant at all times.
- All workers will sign a Health Check at the start of the shift and temperatures will be taken.
- Stringent hygiene protocol training has been implemented for all employees.
- All guest table surfaces will be disinfected thoroughly between use.
- Cleaning of washrooms will be done regularly and be logged.
- Guests can pay over phone when ordering take out if requested.
- Operating at a reduced capacity and/or in accordance with provincial occupancy guidelines.
